- It's four thirty on Saturday afternoon. Jessica and Luke are in the living room together with their guests. They are opening their presents. A book for Jessica and a book for Luke from their grandparents. An MP3 player for Jessica and a model car for Luke from mum and dad. And what have they got from their friends? A bag of sweets, a CD and funny socks for Luke. Earrings and a CD for Jessica.
- 5 But what is this? A piece of paper? No, it's a card from the SHoCK Team.

## This is our present for YOU

A video project  
**The Scary Robbers**  
with the detectives  
**Jessica & Luke Summer**  
and the SHoCK Team

Let's meet at 10 o'clock  
on Sunday, 4th April  
at the restaurant *The Bottle and Bridge*

*Jack, Dan, Jo, Sophie, Ananda*

Mrs Summer is passing around plates of cake. The cake is fantastic, but the kids aren't eating. They are talking about the project. They are listening to Jack now.

- 10 **Jack** You can all be in this project. I'm the film director<sup>1</sup>. Jo is the cameraman. Brian can be the robber. Sophie you're his girlfriend – well, only for the project, of course. The first scene is outside the restaurant. Brian is waiting for you outside the restaurant. He's wearing sunglasses and a black hat. Sophie, you're getting off the bus. You're wearing sunglasses too. Jessica and Luke, our two detectives, are on the street next to the restaurant. They're watching you. Lisa, Ananda and Jacob, you're going into the restaurant. Dan and Eve are coming out of the restaurant ... wait and see. Let's eat the cake now.
